

Dear Professor,

I hope you are doing well. I am writing to kindly request an extension of a few days to submit my assignment. Unfortunately, due to some unexpected circumstances, I was unable to complete and submit it by the given deadline.

I sincerely apologize for the delay. I understand that deadlines are important and that submitting assignments on time is part of maintaining academic discipline. I had planned to finish the assignment before the deadline, but the unexpected situation made it difficult for me to give it the time and attention it needed. I did not want to submit incomplete work or rush through the assignment just to meet the deadline.

I have already completed most of the assignment and am currently working on the remaining part. I would be very grateful if you could allow me a few extra days to complete it properly, review my work, and submit it in the required format. I assure you that I will make good use of the additional time and submit the assignment as soon as possible.

I understand that there may be rules or penalties for late submissions, and I am willing to follow any instructions you provide. Please let me know if there is a revised submission date or any additional requirement I need to meet.

I kindly request you to consider my situation and grant me a short extension. Thank you for your time, understanding, and consideration. I really appreciate your support and look forward to your response.

Yours sincerely,
